

Terrarium enclosure: cut list

Cut each file ONE time. Every piece is already drawn the number of times it is needed, so nothing has to be repeated.

File	Material	Sheet size	Cut how many times
sheet_A_3mm.ai	3 mm clear CAST acrylic	900 x 600 mm	1
sheet_B_3mm.ai	3 mm clear CAST acrylic	900 x 600 mm	1
sheet_C_2mm.ai	2 mm clear acrylic	206 x 305 mm	1

Pieces you should receive

Part	Pieces	On sheet
